A TERRIBLE FATE.

Montgomery County, Become Mentals in Brazil.

Distant Part of the Empire-\$1200 in Gold the Ransom.

In Tennessee Working to Accomplish It.

From the Nashville Union and American.]

We recently gave the particulars of the wanderings and discovery of a lost boy, from Williamson county, as one of the many marvelons are supported in the State. one of the many marvelous events growing out of the late war. We have just been placed in possession of the facts of the said fate and misfortunes of a Montgomery county family, ending in the sale into slavery of two barbaric land. By request we with hold the name of the family, assuring our renders that the circumstances are true to the letter, and in every partic uinr. Singular and adventurous as vere the facts we gave of the Wil- partly insured. llamson county wanderer, the details vicissitudes, sufferings and actual date rending. The sale into slavery of the almond-eyed, sweet-faced and bluevetned Caucasian girl to the lustful Musselman, under sanction of his buildings were damaged. crescent banner and his Koran, shocking as is the monstrous traffic to the Christian world, from long usage is divested of many of the hor-rors naturally attaching to it. But when it comes to the sale, as slaves, of Alcorn and Grant-The Legislature and Tennessee children and those, too, from an adjoining county, reared by cultivated and re nily was a happy one. The parents ulsers of society, and their ch were situated when the civil war, with is fierce alarms, its clarg and clash of arms, burning trophies and

rivers of blood burst upon us in 1861. Then came the time-When desolation, spatching from the of time the scythe of ruin, sat aloft Or stalked in dreadful majesty abread." Tennessee was the banner State in sending her braves to battle for th star-genined bonny blue flag she had flung to the breeze. Among those who gathered under its folds was the minlung to it with the devotion of love To the Senate and House of Represents and the fervor of patriotism, through When at last, in 1865, the star of girom and in glory behind the hills of mails and the collection of revenue Appoint to and the scarred vetering, dangerous. Proofs that such a State affairs exit in some localities are described homes, to lay down its shat-tered staff forever, the heart of our friend sickened at the prospect of his country's rain, and sank within him. aggie, his proud spirit was un-Ty. Converting his available assets into whatready cash they would bring, he gathered his family around him and bade his "pative country added." "Some natural tears," no doubt, that mother and those blooming children hed "as they saw for the last time" the glassy Cumberland, that had so the message to a special committe. A peacefully flowed near their home. long debate followed, and the motion iron had entered so deeply, like Childe standing that ample opportunity be Harold, cared not what had his wan- allowed to debate upon the measure derings bore him to, so they brought proposed. The Speaker announced him not back to this; or, perhaps, as as the special committee Butler, Mass. he cast a lingering look upon Chirks Scoffeld, Pa.; Dawes, Mass.; Blair, ville, guarded by those he deemed op-pressors, he felt as old Jagertha did, and Whitthorne, Tenn. The House when passing out the Appian way he adjourned till Monday. noked back upon the seven hilled city

of the Tiber and said, "There is a city ward to the sad future in store for ook passage on an emigrant vessel for Brazil. Propitious gales and smooth seas soon bore them to the South American country, the delusive Eden of so many. With a hopeful heart d settled and the establishment of a nome for his wife and nestlings. Exf his hands, the climate and its un. States under Democratic control, etc. genial influences preyed upon the special message from the President was received and read. ings were unpleasant. Accustomed to scenery that "Shenstone might envy. and to music that would charm Calypso and her nymphs," the mother and children had been transferred to virtually a barbaric land, uncultiwated by art, unadorned by civilization. The surroundings were chilling and depressive, Mistor-tunes fell thick and fast and his family grew from bad to worse. Business failed utterly. All Colonel John Warren, an Irish turned to this country he could not, onment as a Fenian.

tions. And now comes the saddest par of the history of this unfortunate par of the history of this unfortunate family. The Brazilian laws are such that when a citizen becomes in debt, if he has no property, his children are sold as slaves, the prices they bring the final transfer and total the limits of the limits of the same to a proposition to the same to a proposition to the same to a price that Clayton will be a prominent candidate before the next cloudy and raw. There is a depth of a feet 10 inches in the Monongahela, and the river is still falling.

The same that the impression prescripts and one-half test (1895) to the beginning, and the a price (1895) to the beginning, and the appricance belonging to the same to a proposition to the price (1895) to the beginning and the appricance belonging to the same to a proposition to the price (1895) to the beginning and the appricance belong the proposition to the price (1895) to the beginning and the appricance belonging to the same to a proposition the same to the price (1895) to the beginning and the appricance belonging to the same to the price (1895) to the beginning and the appricance and the proposition that the north transfer and the price (1895) to the beginning and the appricance and the proposition that the north transfer going to the payment of the obligation. Our friend, when he reached
Brasil, unwisely became naturalized
and a South American citizen and
subject to the laws, thus by his own
volition expatriating himself from his
institute country and its protection,
He became involved in debt to some
Brazilians. His children were sold
as slaves. His daughters, grown to
